Mr. Head,

The NWP's that FDEP has incorporated as general permits are in FL's adopted rule 62-331 as parts 62-331.201 through 62.331.248. I've attached the word document of the rule submitted with FDEP's package.

Good Afternoon

I hope that you had a good weekend.

Could you please help Chris? I think that he is asking for a list of the NWP's that Florida will assume. Maybe a copy of them.

Thank you

Can you provide me with the workbook in which FDEP will be taking over the NWP's? I believe Matt said there would be 38?
